## → Summary

I am a 2nd year student at **VELLORE INSTITUTE OF TECHNOLOGY, VELLORE** and pursuing **Btech in Information Technology**.

I am a Night owl and I like to handle technical stuff and for now just hustling to get handy with programming and contribute something to Earth.

Also on the informal part I like to play Cricket, Volleyball and manage stuff.

- I Have a good command over programming languages like **C++,Python,Java and C**
- I also have built apps using **Flutter sdk using Dart**.
- Explored web development using **HTML,CSS and JavaScript** for front end and **React Js** as back-end.

## → Experience

- **E2EM TECHNOLOGIES-**  
Flutter App Developer intern  
**April 2021 - June 2021 (3 months)**
  - ❖ I built apps on Home Automation and an app for showing the statistics of an electric scooter.
  - ❖ The Home Automation app was fully designed and the frontend part coding was done by me.
  - ❖ I also helped in giving ideas for the HOPP scooter app which led to the making of the app 12% faster and also attracted 500 more users to the app.
- Apple Developers Group (ADG-VIT) -  
Core Member **February 2021 - Present (7 m)**
  - ❖ I have been assigned 3 web development tasks and that have been successfully completed by me on time
  - ❖ I also am currently working on Discord Bot which will help the members of the club in getting to know about apple articles ,the article frequency will be set to 3 articles per day. This will save the time by 3-4 mins for every person in the club.
- Creativity Club VIT - Core Member
